Windows, Conservatories & Flat Roofs

The LUXE 350 Bi-Folding Door system is a tough, beautiful, versatile and a highly configurable Bi-Folding Door, offering total control over style and operation.

tough, beautiful, versatile and highly

LUXE 350 Bi-Folding Doors

The LUXE 350 Bi-Folding Door can be manufactured to accommodate the design specification of your building by adding multiple door panels with a choice of inward or outward opening to suit the needs of your home.

A LUXE 350 Bi-Folding Door is an ideal solution for a home where space is at a premium. It offers maximum openings, while square stacking panels create a compact door solution that makes the most of your space.

This Bi-Folding door further benefits from high quality, stainless steel rollers which provide a near soft close operation and years of low maintenance and faultless operation.

Each Britelite LUXE 350 Bi-Folding Door is constructed from only the highest quality materials and is built to last. Each of our LUXE Bi-Folding Doors is backed by a comprehensive 10 Year Guarantee providing peace of mind for years to come.

configurable

Style & Security

Neither style, nor security has been compromised on the LUXE 350 Bi-Folding Door. In fact, our folding aluminium doors are highly secure.

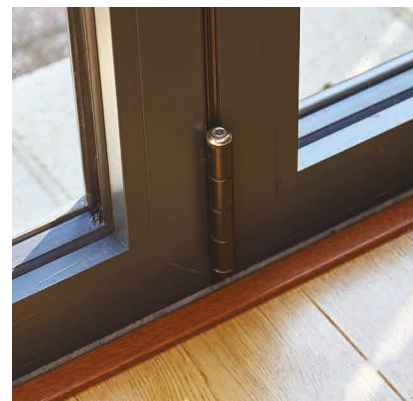

Each LUXE 350 is internally beaded with square detail and available in a variety of anodised or polythene powder coating colours allowing you to create a customised door that is personal to your home.

A matching range of hardware is also available for the LUXE 350. The huge amount of colour finishes, make the possibilities of the LUXE 350 almost endless.

Accessibility

The LUXE 350 Bi-Folding Door is highly customisable and as such is available with a low threshold option (for internal use only) allowing for easy access for wheelchair users and the elderly.

Each LUXE 350 panel is also available with an inward or outward opening option, further adding to the accessibility of this deluxe door system.

Installation

If you purchase a LUXE 350 Door system it will be manufactured and installed by our expert teams who have been recognised by the BSI 8213 – Pt 4 Kitemark for the Installation of Windows and Doors.

Our installation teams offer a superb, professional finish and the low maintenance nature of the LUXE 350 ensures it will look great for years to come.
