## uPVC Doors

Your front door can have a great deal to do with creating that warm receptive look, matching your choice of door with your homes individual personality is essential. Britelite's uPVC Doors ensure security is of importance which is why they all feature a high security locking system.

A range of high quality furniture may also be specified including letter plates, knockers, spy hole and numerals to individualise your door. Our range of uPVC Doors are available in White, Rosewood or Oak effect.

## Composite Doors

Someone clever once said that quality is in the detail, and Britelite don't believe in compromising on quality. The timber effect grain gives a rich, classic style to your home that won't discolour or fade. It is guaranteed to give this real look for a decade so you can enjoy the great look of your doors for years to come.

Whilst the choice of PVC panel doors is limited, there is a wide range of composite doors, so how your composite door looks is up to you. Prefer traditional style or contemporary? You can express your style with our wide selection of twenty-one styles in seven colours and a beautiful range of glass.

Superb performance, impressive, refined and captivating design, technology and aesthetics.

# Solidor

Britelite are proud to offer the full Solidor range which boasts unmatched specification in the composite door market. Thanks to the unique solid timber core construction of a Solidor.

The 48mm deep doors are also 10% thicker than the nearest competitors, helping make them more secure and energy efficient.

We can offer 256 door colour combinations through the option of 20 colours on either side. These range from contemporary colours to luxurious and life like woodgrains. We can also offer both a chamfered and a sculptured door frame and these are also available in 18 colour combinations. We believe that you should only be limited by your imagination when it comes to a beautiful Solidor.

# Patio & Double Doors

With uPVC Patio Doors from Britelite you can maximise your views and bring the garden closer to your home. With easy access in summer and a wonderful view in winter, a patio door adds light and air to your home - all year round. Britelite's patio doors are available in a wide range of colour and woodgrain options and look great from inside and out.

They feature sliding panels on hidden rollers so you can simply slide the patio door open and enjoy the view. In-line PVC patio doors are ideal when the opening area is at a premium as the sashes do not encroach into the surrounding space. Available in 2,3 and 4 pane options, patio doors can even be supplied with a midrail or a letterbox.

## French Doors

Throw open your French doors and invite the garden, terrace, balcony or country views inside. A breath of fresh air for your kitchen, lounge or dining room, these beautifully made doors come in a range of styles, colours and finishes to blend naturally with any home.

Britelite uPVC double glazed French doors offer a stylish way to let more light into any room and create a beautiful view over your garden and allow easy access to your patio area. Available to open inwards or outwards. A variety of styles are available which can include midrails. French doors can also be supplied with side panels to span larger openings.

A variety of full and half panel styles, or the most popular, full glass is also available.

## Bifold and Sliding Doors

The world of Bi-fold and sliding doors can seem very overwhelming. But don't despair, Britelite Doors not only perform extremely well, they are also impressive, refined and captivating in terms of design, technology and aesthetic appeal.

Constructed to endure and sustain the daily rigours of modern living, and climate change. What we offer here is the dedication of countless hours of testing and retesting, cutting edge engineering and delivering the ultimate performance.
